Brain Awareness Week

17 June -21 June , 2023

"Unleash your inner neuroscience nerd at the upcoming "Brain Awareness Week-2023,Nepal"!

Join forces with the Department of Human Anatomy at B.P. Koirala Institute of Health Sciences and the Rotaract Club of Dharan Ghopa, in partnership with the International Brain Research Organization(IBRO), to explore the mysteries of the brain like never before.(www.brainawareness.org)

With Support of IBRO/Dana foundation, France, We are going to organize the Brain Awareness Week from 17-21 June,2023.The Theme of Brain Awareness week is "Brain Fest 2023:Steps from Advocacy to Awareness."

On 21st June 2023 (Wednesday), there will be special brainstorming program from esteemed Speakers who will be sharing their clinical experience in their respective field.

So, why settle for ordinary when you can experience the extraordinary? Register today for this one-of-a-kind event that will inspire your mind and expand your horizons!

Applicant Criteria:

Must be an undergraduate student currently studying any subject related to medicine.

Last Date of Registration: 10th June 2023
Notification of Selection/Result: 14th June 2023

*Please note that due to limited seat, we will only be selecting 50 students among all the applicants who fill out the registration form. Therefore, we kindly ask that you carefully complete the form and provide all the required information. Certificate of attendance and complementary Lunch will be provided after Program for full time participants.
